

Stay ahead of cancer.

Cancer has affected us all. Whether you're looking to understand your cancer risk, currently in treatment, have had cancer in the past, or are caring for a loved one with cancer, your Color benefit provides personalized support.

With Color you get:

FOR FREE

- **AT-HOME SCREENINGS** for colorectal, cervical, and prostate cancers plus genetic testing that looks for inherited mutations that increase likelihood of developing certain cancers
- **HELP SCHEDULING** in-person, in-network cancer screenings like mammograms and colonoscopies
- **15, 30 OR 60 MINUTE VIRTUAL VISITS** with a team of cancer experts, including: doctors, genetic counselors, care advocates, cancer risk experts and mental health experts who can help you navigate screening, treatment, logistical, financial and mental wellbeing concerns

After completing your cancer risk assessment, Color will send you a \$10 Amazon gift card.

This benefit is available at no-cost to all employees and spouses/domestic partners on Eaton's Basic, Enhanced, or MyChoice health plan.

The American Cancer Society (ACS) is a nonprofit organization that routinely publishes guidelines, and as part of this program, ACS contributes its expertise and educational materials on cancer screening and prevention and connects participants who contact ACS with ACS cancer-related information. A portion of the fees generated from this program will be used to support the ACS mission. ACS does not provide medical or clinical care.
